

MATERIAL SAFETY DATA SHEET

1 IDENTIFICATION OF THE MATERIAL & COMPANY

Product: Premium Acrylic Texture Use: External Texture Coating
Code: ARTEX 001
Distributor: Artex Unit Trust
Unit 1, 32 Erceq Road, Yangebup, WA, 6164.
Contact: 0419 196 153

2 HAZARDS IDENTIFICATION

NOT CLASSIFIED AS HAZARDOUS ACCORDING TO NOHSC CRITERIA

NOT CLASSIFIED AS A DANGEROUS GOOD BY THE CRITERIA OF THE ADG CODE

Risk Phrases: None

Safety Phrases: None

3 COMPOSITION OF THE MATERIAL

Chemical Name	CAS#	Concentration (%w/w)
---------------	------	----------------------

Chemicals considered not to be hazardous		to 100%
--	--	---------

4 FIRST AID MEASURES

Ingestion: Rinse mouth with water and give plenty of water to drink.
Eye Contact: Hold the eyelids open and irrigate the eyes with copious amounts of water for at least fifteen minutes. Seek medical assistance if an irritation develops.
Skin Contact: Remove contaminated clothing. Rinse the exposed skin thoroughly with water.
Inhaled: Move the person to a source of fresh air.

5 FIRE FIGHTING MEASURES

HAZCHEM CODE: None allocated

Flames on or in the vicinity of this product can be extinguished using conventional fire fighting agents and procedures. At decomposition temperatures this product may emit toxic carbon monoxide and acrylic monomers. Prevent contamination of drains and waterways.

6 ACCIDENTAL RELEASE MEASURES

Collect and store the product in plastic lined cardboard boxes or seal into the products original packaging. Dispose of the collected material at a landfill site.

7 HANDLING AND STORAGE

Ensure adequate ventilation or exhaust ventilation in the working area. Wear appropriate protective equipment to prevent inhalation, skin and eye contact. Store cool and dry in a well ventilated area. Keep packaging tightly closed. During storage and transport keep the product away from acid based products.

8 EXPOSURE CONTROLS/PERSONAL PROTECTION

Exposure Standards: None allocated

Practice safe handling and non-exposure methods. Use common sense and good standards of hygiene before and after handling this product. Wear personal protective equipment such as rubber gloves, goggles and cotton overall when handling this product.

9 PHYSICAL AND CHEMICAL PROPERTIES

Appearance:	Pale white/coloured paste	Solubility:	Insoluble
Odour:	Acrylic odour	Density (g/mL)	~ 1.6
Vapour Pressure:	Not available	Vapour Density	Not available
Melting Point:	Not available	Boiling Point	Not available
Flammability:	Not relevant	Explosion Limits	Not relevant
pH:	< 8	Flash Point	Not relevant

10 STABILITY AND REACTIVITY

Chemical stability:	Stable at room temperature.
Conditions to avoid:	High and low temperatures and exposure to direct sunlight.
Incompatible materials:	Acids and oxidising agents.
Hazardous decomposition products:	Carbon monoxide and acrylic monomers.
Hazardous polymerisation:	Not relevant.

11 TOXICOLOGICAL INFORMATION

Ingestion:	No adverse effects expected.
Eye Contact:	This product may irritate the eyes.
Skin Contact:	This product may irritate the skin.
Inhaled:	This product may cause an inflammation of the respiratory system in confined spaces.
Chronic:	No data available.
Carcinogenic effects:	Not carcinogenic.

12 ECOLOGICAL INFORMATION

Ensure appropriate measures are taken to prevent this product from entering the environment. Avoid contaminating waterways.

13 DISPOSAL CONSIDERATIONS

This product and the products container can be disposed of as landfill waste. Dispose of waste material only in accordance with the applicable federal, state & local council laws and regulations

14 TRANSPORT INFORMATION

NOT CLASSIFIED AS A DANGEROUS GOOD BY THE CRITERIA OF THE ADG CODE

UN Number:	None allocated	Correct Shipping Name:	None allocated
Dangerous Goods Class:	None allocated	Packing Group:	None allocated
Hazchem Code:	None allocated	Packaging Method:	None allocated

15 REGULATORY INFORMATION

Poisons Schedule:	No schedule allocated to this product using the criteria in the standard for the Uniform Scheduling of Drugs and Poisons (SUSDP).
AICS:	The chemicals of this product are listed on the Australian Inventory of Chemical Substances.
Symbol:	None allocated.

16 OTHER INFORMATION
